

OLIVE BRANCHES DON'T GROW ON TREES

BY GRACE MATTIOLI

Press Release

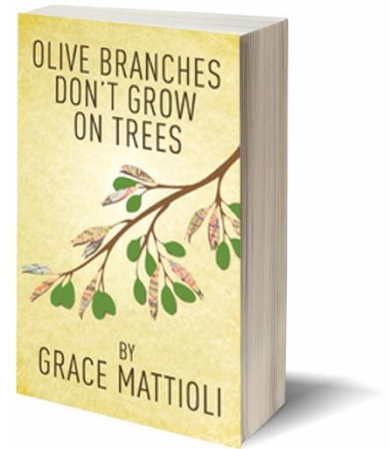

New Jersey author, Grace Mattioli, is pleased to announce the release of her debut novel, *Olive Branches Don't Grow on Trees*.

Drawing on her own background, Grace Mattioli has created a warring but loveable Italian-American family, who just can't seem to get along. While they all have their individual problems, youngest daughter, Silvia Greco, hopes that she can bring the family together to celebrate the graduation of her little brother, and in so doing offer an olive branch of peace to the disgruntled factions.

What follows is an energetic, funny, and endearing tale of a twenty-something woman with an incurable need to keep moving, but without any real sense of direction. As she finds her own way, so too she hopes to help her family put their problems aside.

Early reviewers have already called Grace Mattioli's wonderful debut "poignantly funny," and "genuinely moving."

Olive Branches Don't Grow on Trees is now available in Paperback and E-Book formats via Amazon.

Published: September 5, 2012
